Disclaimer

In no event shall Logic-Xcution be liable for any special, direct, indirect, consequential, or incidental damages or any damages whatsoever, whether in an action of contract, negligence or other tort, arising out of or in connection with the use of the Service or the contents of the Service. Logic-Xcution reserves the right to make additions, deletions, or modification to the contents on the Service at any time without prior notice

COMMERCIAL USE

You must not use any material provided on this platform for commercial purposes without the prior written consent by the core team, Logic-Xcution – A non profit association for promotion of programming and development. If you would like to use it for non-commercial purposes, you should contact the Logic-Xcution first. Several images have been created for and licensed to the Verein, thus they must not be used commercially or non-commercially.

LIABILITY

The authors have ensured that all information provided on this platform is correct to their best knowledge. However, the authors make no representations about the suitability of the information contained in the documents and related graphics published on this platform for any purpose. All such documents and related graphics are provided "as is" without warranty of any kind. The authors hereby disclaim all warranties and conditions with regard to this information, including all implied warranties and conditions of merchantability, fitness for a particular purpose, title and non-infringement. In no event shall the authors be liable for any special, indirect or consequential damages or any damages whatsoever resulting from loss of use, data or profits, whether in an action of contract, negligence or other tortious action, arising out of or in connection with the use or performance of information available from this platform.

LINKS TO EXTERNAL SITES

Some links on this platform will let you leave the Logic-Xcution platform. The linked sites are not under the control of the organization and the organization is not responsible for the contents of any linked site, or any changes or updates to such sites. The organization is not responsible for webcasting or any other form of transmission received from any linked site. The Verein is providing these links to you only as a convenience, and the inclusion of any link does not imply endorsement by the Verein of the site.

LINKS TO THE Logic-Xcution

Links to the Logic-Xcution platform are explicitly allowed, as long as pages from the Logic-Xcution platform don't appear within the frameset of the linking platform.

TRADEMARKS AND REGISTERED TRADEMARKS

Trademarks and registered trademarks are not marked. Therefore, the missing of such a symbol does not imply that the concerned name is not the trademark or registered trademark of its respective owner.

COPYRIGHT NOTICE

CONTACT
